

Earn a \$25 Credit for Returning a Competitors' Broken Hook Setter

Automatic Fisherman LLC is the original and the best hook setting device on the market. We've been selling the Automatic fisherman for over 22 years, nothing compares! American-made and built to last, Automatic Fisherman offers the longest and strongest warranty on the market.

To prove the superiority of our product, Automatic Fisherman is offering a \$25 credit on the purchase of the original Automatic Fisherman hook setting device. All you need to do is ship a competitor's broken hook setting device to Automatic Fisherman. We will accept all broken units of any age or model. If you bought the unit, you are eligible to return it to us for a special \$25 credit. No handmade units will be accepted. Units must have been purchased through a store outlet to be accepted for this credit.

Mail the unit to:

Automatic Fisherman
1048 Harwood Ave.
Green Bay WI 54313

Include your name, address, email address, and phone number, and we'll send you a code to use at our online store. No receipt needed. No restocking fee charged. No worries about an expired warranty. Just send it to us, and we'll get you the \$25 discount code. This is a great opportunity to replace your old, broken hook setting device with a new Automatic Fisherman hook setting system.

Over 184,000 Automatic Fisherman units have been sold all over the world. To date, a grand total of only seven units returned because damage or breakage. All seven units replaced at no cost to the owners.

Automatic Fisherman is simple, and it works. It's 100% American made and has a 20-year replacement warranty, giving the Automatic Fisherman unit one of the best product warranties in the fishing industry.

Act now! Send your broken competitor's hook setting device and receive the special \$25 credit towards the purchase of the original, American made Automatic Fisherman unit that is engineered to last, simple to operate, and catches more fish than any of the competition out there, guaranteed.
